SUMMARY

A full-stack developer with a boundless thirst for knowledge and talent for tackling complex challenges. Trained at Vanderbilt's premier coding boot camp equipped with a strong foundation in full-stack web development. A seasoned problem-solver, using logic and a can-do attitude to overcome obstacles and deliver results. Excel at independent work, also thrive in team environments and appreciate the power of collaboration.

TECHNICAL SKILLS

Software Skills: JavaScript, HTML, CSS, JQuery, Express, Node.js, Handlebars, Mongo, Sequelize, NoSQL, Mongoose, and MySql

PROJECTS

Title: The Daily Planner

Github: <https://github.com/Nmotley92/group-project>

Project link: <https://nmotley92.github.io/group-project/>

- **Summary:** The Daily Planner is a tool that gives the user the opportunity to search for local events in any city within the US and add them to a calendar, add their own events, and automatically shows all holidays on the calendar with a click of a button.
- **Core responsibilities:** Created the calendar using tailwind, programmed all javascript logic.
- HTML - CSS - JAVASCRIPT - JQUERY - TAILWIND

Title: Longevity

Github: <https://github.com/alexisbenavidez99/workout-tracker>

Project link: rocky-thicket-55053.herokuapp.com/

- **Summary:** Longevity is a workout app that we created to help users easily find and keep track of workouts. When users sign in they can make a profile and quickly search and find exercises to do. Once done they can input the workout and save it to their workout history to keep track.
- **Core responsibilities:** Worked on all the back-end routes, models, and views to help create the app using handlebars.
- HTML- CSS -JS- TAILWIND- MySQL- Sequelize- Handlebars - deployed on Heroku

EXPERIENCE

Shift Leader

2019-2022

Brothers Burgers

Nolensville, TN

Summary: Responsible for managing a team of employees during a specific shift in a restaurant. They oversee daily operations, ensure customer satisfaction, and resolve any issues that arise during their shift.

- Mentored and trained new employees, resulting in a 50% decrease in training time and an increase in overall team efficiency.
- Recognized by upper management for outstanding performance and leadership, receiving a promotion to shift leader after 1 months in the line cook position
